The 33rd Annual General Meeting of Taloja Manufacturers' Association held on 28.11.2024, at the TMA Conference Hall.

L to R : Shri. Rajendra Pansare Hon. Secretary TMA,
Shri. Shekhar Shringare Hon. President TMA & Shri. Dilip Parulekar Hon. Treasurer TMA

The Taloja Manufacturers' Association (TMA) successfully conducted its 33rd Annual General Meeting (AGM) on November 28, 2024, at the TMA Conference Hall. The event witnessed active participation from Member Industries, underscoring their commitment to the Association's initiatives and activities.

The meeting commenced with a warm welcome address by the Hon. President, Shri Shekhar Shringare, who greeted all the Members present. Following the President's address, the minutes of the 32nd AGM held on January 17, 2024, were read and confirmed.

As part of the Agenda, the Income & Expenditure Accounts Statement and the Balance Sheet for the financial year 2023-24 were approved by the Members. In addition, M/s NSON & Co., Chartered Accountants, were appointed as the Auditor for the financial year 2024-25.

The Annual Report and Activity Report of TMA were presented through an engaging PowerPoint presentation, highlighting the Association's achievements and initiatives over the past year. The presentation provided valuable insights into the progress made by the TMA.

During the discussion under Agenda Point 6: Any Other Business Related to Industries, various pertinent subjects were brought up and deliberated upon, showcasing the proactive approach of the Members in addressing key issues.

The meeting concluded with High Tea, providing an opportunity for Members to interact and network in an informal setting. The entire arrangements for the AGM received high appreciation from the Member Industries for their seamless organization and execution.

The TMA remains committed to fostering collaboration and addressing the needs of industries in Taloja MIDC, as demonstrated through this successful AGM.

The meeting held on 06.11.2024 regarding the Property Tax Assessment issued by PMC to the Industries in Taloja MDC at TMA

L to R : Shri. Shekhar Shringare Hon. President TMA,
Advocate Shri. E.A.Sasi & Shri. Dilip Parulekar Hon. Treasurer

The Taloja Manufacturers' Association (TMA) held a meeting on November 6, 2024, at 3:30 p.m. in the TMA Conference Hall to discuss the Property Tax Assessment Notices issued by Panvel Municipal Corporation (PMC). The meeting was chaired by Shri Shekhar Shringare, Hon. President of TMA, and attended by 60 representatives from various industries.

The aforementioned meeting was organised to review the status of the case filed before the Hon'ble High Court, Mumbai, concerning PMC's Property Tax Assessment Notices. Wherein, Advocate E.A. Sasi addressed numerous queries from members regarding the case. Valuable suggestions from members were noted for inclusion in Advocate Sasi's arguments during the proceedings.

Additional Matters:

Some industries reported receiving Local Body Tax (LBT) notices from PMC. Advocate Sasi, also handling the LBT case, was requested to draft a response letter for the notices. Accordingly, the draft was shared with members.

The meeting concluded with a vote of thanks to all attendees for their active participation and contributions.

The Three Trees

Once upon a mountain, three little trees stood and dreamed of what they wanted to become. The first tree wanted to be a treasure chest, the second a mighty ship, and the third the tallest tree in the forest.

Years passed, and the trees were cut down. The first tree became a simple manger, the second a small fishing boat, and the third was cut into beams and left in a pile. Disheartened, they wondered if their dreams would ever come true.

The Tale of the THREETREES

- One night, a man and his wife visited the stable. The woman gave birth, and they placed their baby in the manger.
- The second tree became a fishing boat for a humble fisherman.
- The third tree was built into a cross and stood tall on a hill.

Moral: Sometimes what seems like a disappointment may lead to a greater purpose.

Advisory on Updates to E-Way Bill and E-Invoice Systems

The Goods and Services Tax Network (GSTN) has announced important updates to the E-Way Bill and E-Invoice systems, effective from January 1, 2025. These changes aim to enhance security and compliance. The key update is the mandatory implementation of Multi-Factor Authentication (MFA) for taxpayers with an Annual Aggregate Turnover (AATO) exceeding Rs 20 Crores, effective from January 2025. MFA will be extended to taxpayers with AATO exceeding Rs 5 Crores by February 2025 and to all taxpayers by April 2025. Additionally, starting January 2025, E-Way Bill generation will be restricted to documents dated within 180 days from the date of generation. Also, extensions for E-Way Bills will be limited to 360 days from the original generation date. Taxpayers are urged to activate MFA immediately and update their registered mobile numbers to comply with these changes.

Goods and Services Tax

Government of India, States and Union Territories Advisory on Updates to E-Way Bill and E-Invoice Systems

Dec 17th, 2024

GSTN is pleased to announce that NIC will be rolling out updated versions of the E-Way Bill and E-Invoice Systems effective from 1st January 2025. These updates are aimed at enhancing the security of the portals, in line with best practices and government guidelines.

2. Multi-Factor Authentication (MFA):

One of the key changes involves the implementation of Multi-Factor Authentication (MFA). Currently, MFA, which requires login using a username, password, and OTP (sent to the registered mobile number, Sandes app, or similar platforms), is mandatory for taxpayers with an Annual Aggregate Turnover (AATO) exceeding Rs 100 Crores since 20th August 2023 and optional for those with AATO exceeding Rs 20 Crores since 11th September 2023.

a) Starting 1st January 2025, MFA will become mandatory for taxpayers with AATO exceeding Rs 20 Crores, from 1st February 2025 for those with AATO exceeding Rs 5 Crores, and from 1st April 2025 for all other taxpayers and users.

b) Taxpayers are encouraged to activate and start using MFA immediately, and detailed instructions are available on the E-Invoice and E-Way Bill portals. It is advised to ensure that the registered mobile number is updated with your GSTIN.

3. Restricting the period of EWB generation from the date of base document:

The generation of E-Way Bills will be restricted to documents dated within 180 days from the date of generation. For instance, documents dated earlier than 5th July 2024 will not be eligible for E-Way Bill generation starting 1st January 2025.

4. Restricting the extension of EWB for specific time/period from the eWB generation date:

Furthermore, the extension of E-Way Bills will be limited to 360 days from their original date of generation. For example, an E-Way Bill generated on 1st January 2025 can only be extended up to 25th December 2025.

Taxpayers are requested to familiarize themselves with these updates and incorporate the necessary adjustments into their compliance processes. For additional details, please visit the respective portals.

PF money can be withdrawn from ATM; know what is the new EPFO scheme

You will get a separate ATM card for PF

The central government is now preparing to reform the system related to the Provident Fund (EPFO)

 Leader News Service

Published on: 30 Nov 2024, 12:39 pm

updated on: 30 Nov 2024, 12:39 pm

Leaders Online Desk: The central government is now preparing to reform the system related to Provident Fund (EPFO). The government aims to increase services for EPFO members under the EPFO 3.0 initiative. According to reports, as part of this scheme, the Union Labour Ministry is considering increasing the contribution to the pension of employees and issuing ATM cards like debit cards. This will allow employees to withdraw money directly from 'ATM' in future. This scheme is likely to be implemented by May-June 2025. Currently, an EPF member has to wait for 7 to 10 days to withdraw his PF money. This time is taken after completing all the formalities of PF withdrawal and submitting the necessary documents to EPFO. This wastes more time. Currently, salaried employees contribute 12 percent of their earnings to their EPF account every month. Meanwhile, the employer contributes 3.67 percent to the EPF account. The remaining 8.33 percent is distributed to the Employees Pension Scheme (EPS). The employer also contributes 0.50 percent to the Employees Deposit Linked Insurance (EDLI) account of the employees.

Consideration to remove 12 percent limit on PF contribution

Meanwhile, according to media reports, the central government is considering removing the 12 percent cap on PF contributions made by employees. If this change is made, employees may get the option to contribute more based on their savings. However, the employer's contribution will remain unchanged.

What will be the impact on the pension amount?

According to reports, the limit on PF contribution of employees is likely to be removed. This change will not have any impact on the pension amount. As the pension contribution will also remain constant at 8.33 percent. The pension amount will increase only if the government increases the salary limit for PF deduction. Which is currently Rs 15,000. The central government is likely to increase this limit from Rs 15,000 to Rs 21,000.

12 TIPS FOR BEING A SUCCESSFUL ENTREPRENEUR

1. REMEMBER YOUR PURPOSE.
2. DEFINE YOUR BRAND.
3. UNDERSTAND YOUR AUDIENCE.
