Times of India dt. 30.03.25 Regarding MERC Tariff reduction Pg.1 & 2

Merc announces power tariff changes, 10-30% reduction in charges from April

Abhilash.Botekar
@timesofindia.com

Nashik: MSEDCL, with the highest electricity tariff across the state, will see a 10-30% drop in rates for residential consumers from April 1, as per the latest order of the Maharashtra Electricity Regulatory Commission (Merc).

The Merc's new multi-year tariff order, published on their website, marks an unprecedented decrease in electricity rates across all consumer categories. "Against the MSEDCL's projected revenue

Merc attributed the rate reduction to two key factors — MSEDCL's failure to curb distribution losses at 14% (actual losses were 22%) and the anticipated cost savings from future renewable energy generation

gap of Rs 48,066 crore, Merc has approved a revenue surplus of Rs 44,480 crore as a part of the reconciliation of past discrepancies and future forecasts for power procurement and revenue genera-

tion. The commission has passed this surplus to the consumers by lowering the tariff between 10% and 30% in various categories for the next five years," stated a senior MSEDCL officer from Nashik Zone, citing Merc's press release.

Merc attributed the rate reduction to two key factors — MSEDCL's failure to curb distribution losses at 14% (actual losses were 22%) and the anticipated cost savings from future renewable energy generation.

► Continued on P 4

Power tariff changes announced

► Continued from Page 1

Merc decreased cross-subsidies for high-tension (HT) and low-tension (LT) industries by 12% and 8%, respectively. This led to a 15% and 11% reduction in bills for HT and LT consumers. Siddharth Varma, secretary of Veej Grahak Samiti in Nashik, and former Merc consumer representative, said, "This is a good step by MERC. There are certain charges whose applicability is not clear. The bills generated for April will bring some clarity. We, however, expect the relief to be around 10-15%." Varma said Merc exempted residential consumers with rooftop solar panels from "Time of Day" charges, supporting green energy initiatives. Legal practitioners' offices throughout the state would now receive bills under public service category rates, instead of commercial rates, he said.

In what will ensure that industries from Maharashtra do not migrate to other states, the average billing rate for the existing industry tariff across the state, which was Rs 10.85 per unit, has been reduced to Rs 9.20 per unit for MSEDCL consumers from April 1.

"MSEDCL MD Lokesh Chandra said, "Residential tariffs will fall in the next few years."

The Guidance Session by Shri. Ashok Rajput Asst. Commissioner of Police, Shri. Pravin Bhagat, Sr. P.I. (Incharge) Police Station, MIDC, Talaja & Team on Industry-Related Harassment & Fraud Issues held on 17.02.2025 at TMA Conference Hall.

A guidance session addressing industry-related harassment and fraud issues was held on February 17, 2025, at the TMA Conference Hall. The session was graced by the presence of Shri. Ashok Rajput, Assistant Commissioner of Police, Shri. Pravin Bhagat, Senior Police Inspector (In-charge) of MIDC Talaja Police Station, and their team.

Shri. Shekhar Shringare, President of TMA, welcomed the esteemed officials by presenting a Tulsi plant as a token of respect and extended a warm welcome to the members present.

Shri. Pravin Bhagat, Sr. P.I. of Talaja Police Station, introduced himself and provided insights into the law and order situation in Talaja MIDC. He assured that the police would act as facilitators and encouraged industries to remain vigilant. He emphasized the importance of security measures, advising factories to ensure their security personnel have a contact list of key individuals for emergencies. Furthermore, he

highlighted the necessity of identifying and reporting illegal Bangladeshi and Nigerian workers to the police.

Shri. Ashok Rajput, ACP, elaborated on the Maharashtra Chief Minister's 100-day plan aimed at preventing industries from relocating to Gujarat due to harassment and fraud. He assured complete support from the police department and urged industries to install high-quality CCTV cameras at entry and exit points to deter criminal activities. Additionally, he stressed the importance of verifying security agencies before hiring them. He assured police intervention in union or Mathadi-related disputes through mediation meetings and agreed to arrange a meeting between labor contractors and the police, as requested by an industry representative.

Addressing Industry Concerns:

Harassment by locals for contracts or money: Shri. Ashok Rajput, ACP, instructed industries to submit written complaints to the police station for prompt action.

- **Mandatory helmet use:** The ACP appealed to industries to enforce helmet usage for employees commuting via two-wheelers.

- **Hazardous effluent disposal:** Hon. President, TMA, raised concerns about tankers illegally unloading hazardous effluents into chemical zone chambers. In response, the ACP instructed Sr. P.I. to take strict action.

- **Transport restrictions:** The Hon. President, TMA, reported that local transporters were preventing external transporters from operating in industries. The ACP directed the Sr. P.I. to address the issue.

- **Theft incidents:** An industry representative expressed concerns over frequent diesel theft from parked trucks in the engineering zone. The ACP instructed the Sr. P.I. to increase night patrolling in the area.

Expert Guidance:

- **Shri. Shingate, Asst. P.I.,** provided guidance on cyber fraud prevention.

- **Shri. Khairnar, Asst. P.I.,** educated industries on legal rights and responsibilities.

- **Shri. Sitaram Satpute,** spoke about job fair initiatives.

The session was attended by 50 industry representatives. Hon. President, TMA, concluded the meeting by urging all industry members to extend full cooperation to the police to ensure smooth industrial operations.

Walkathon organized by Taloja Manufacturers' Association, DISH - Raigad & MARG on 05.03.2025, on the occasion of National Safety Week

The National Safety Week is observed from March 4 to March 11, 2025. On this occasion, a “Walkathon”—a safety rally—was organized by the Taloja Manufacturers’ Association (TMA) in association with DISH - Raigad and MARG Group for industries in Taloja MIDC on March 5, 2025 (Wednesday), at 9:00 a.m.

The theme of the Walkathon was “Safety and well-being are crucial for Viksit Bharat” to raise awareness among workers about the importance of safety in the workplace. The rally commenced from Panchmahal District Co-Op Milk Producers’ Union Ltd. (Amul Factory), Plot No. 06, Taloja MIDC, at 9:00 a.m. and concluded at the TMA Building. More than 900 participants from various industries took part in the event.

Shri. Shekhar Shringare Hon. President TMA, Shri. Jaami Firdous Plant Head Panchmahal District Co-Op Milk Producers’ Union Ltd, & Shri. Patange Dy. Director DISH has done Flag off at the said Walkathon.

Authorities from the Police Department, Traffic Department, and Fire Station were also present. Apcotex Industries Ltd. and Deepak Fertilisers & Petrochemicals Ltd. arranged fire tenders and ambulances for the event. Additionally, several industries, including:

- United Breweries Ltd.
- Panchmahal District Co-Op Milk Producers’ Union Ltd.
- Ball Beverage Packing Pvt. Ltd.
- Hindalco Industries Ltd.
- Shell India Ltd.
- Dow Chemical International Pvt. Ltd.
- Owens Corning India Ltd.

Generously sponsored water, caps, snacks, etc., for the participants. The MIDC Fire Station Team, Taloja, along with their fire tender, also actively participated in the event.

To further engage the participants, competitions were organized such as, Best Slogan, Best Poster & Best Skit.

Participants from various industries prepared posters and slogan placards, which were evaluated by jury members from MARG Group. Certificates were awarded to winners in each category as follows:

Cont. on Page 4

List of Winners:

a) Best Slogans:

- 1st Prize : Deepak Fertilisers & Petrochemicals Corporation Ltd.
2nd Prize : Exide Industries Ltd.
3rd Prize : Viyash Life Science Pvt. Ltd.

b) Best Posters:

- 1st Prize : Chemspac Chemicals Pvt. Ltd.
2nd Prize : Ball Beverage Packing Pvt. Ltd.
3rd Prize : Owens Corning India Ltd.

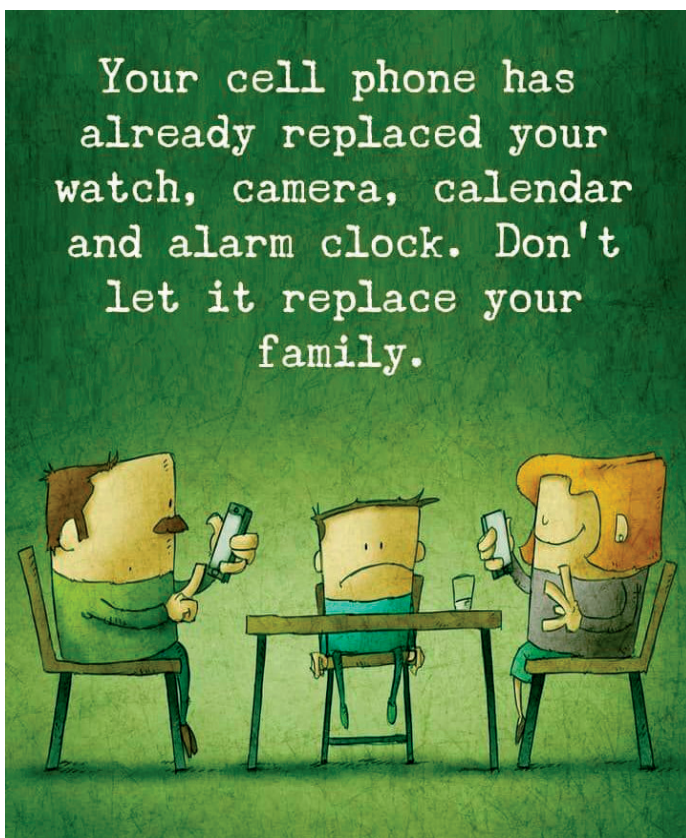

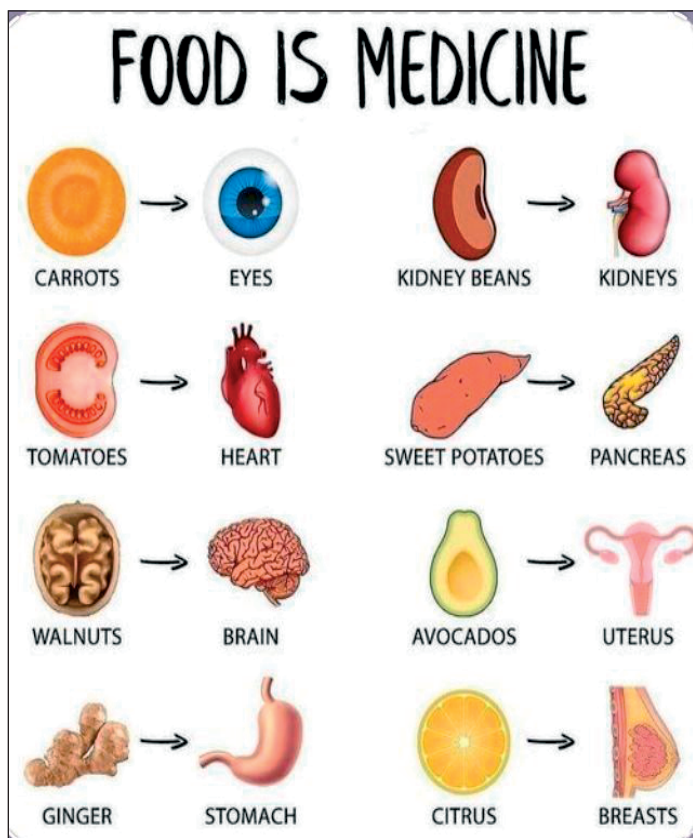

c) Best Skit:

- 1st Prize : Galaxy Surfactants Ltd.
2nd Prize : Hikal Ltd.
3rd Prize : Dow Chemical International Pvt. Ltd.

d) Special Appreciation:

Hikal Ltd. for their outstanding Hymn on Industrial Safety.

The efforts of TMA, DISH, and MARG Group played a key role in making this Walkathon a grand success.

Dual Taxation on the industries of Taloja MIDC

Continuation Sheet

Taloja Manufacturers' Association

(Established in 1985)

TMA/SJS/24-25/105

To,
The Honourable Chief Minister,
Government of Maharashtra,
Mantralaya, Mumbai : 400032.

Date : 04.03.2025

Sub : Dual taxation on the industries of Taloja MIDC

Respected Sir,

Taloja MIDC industrial area which was established by MIDC as a nodal agency appointed by the government of Maharashtra with the intention of developing the industrial infrastructure of Taloja MIDC & subsequently collecting service charges, water charges, drainage charges, Streetlights, Roads, Common Effluent Treatment Plant, Fire services etc.

The industries in Taloja are under tremendous financial pressure and competitive pressure from the other states in India in terms of expensive electricity, labour, transportation, etc.

The Panvel Municipal Corp. (PMC) was established in 2016 wherein Taloja MIDC was also included within the jurisdiction of PMC wherein, they have started sending huge property tax bills against the nominal grampanchat tax which the industries were paying earlier.

The property tax bills raised by PMC is 100% to 200% more than the grampanchayat tax, though PMC is not providing any services like water supply, drainage, roads, streetlights, Common Effluent Treatment Plant, Fire services, etc.

The industries in Taloja MIDC area faced with such huge financial implications on their profit margins, will not be favorable to operate their industries from Taloja MIDC and would rather shift to the neighbouring states with industrial with friendly policies.

Cont....2

We are very impressed by your policies for industrial growth in Maharashtra after being at the helm of the Government of Maharashtra as the Hon'ble Chief Minister where we are seeing positive changes regarding the working of government offices and Police.

We hope your goodself will intervene in resolving this financial overburden on the industries in Taloja MIDC so as the industries do not migrate to any neighbouring states & help Maharashtra as a favorable state for industrial growth.

Further, to discuss on this issue we would like to have an appointment with your good self.

Regards,

For Taloja Manufacturers' Association

Shekhar Shringare
Hon. President

Update on Streetlight issues in Taloja MIDC

TMA held a meeting with the Chief Engineer, MIDC, on Monday, February 10, 2025, at the MIDC Andheri office to discuss various challenges faced by industries in Taloja MIDC.

Among the key concerns raised was the long-pending issue of non-operational streetlights and the need to enhance their intensity for better illumination. TMA has been persistently following up on this matter with the MIDC Electrical & Maintenance Department.

Following the meeting, MIDC conducted an inspection of all affected areas in Taloja MIDC and submitted a detailed report on the same. They have assured that the required work will be completed by May 2025. A copy of the report from MIDC is enclosed.

Trade Notice No. 02/2024-25 Dated: 11.03.2025

Subject: जीएसटी एमनेस्टी स्कीम 2024 / GST Amnesty Scheme 2024.

Attention is invited to GST Amnesty Scheme 2024 notified by the Central Board of Indirect Taxes and Customs (CBIC), New Delhi.

2. In this connection, it is to inform that Central Board of Indirect Taxes and Customs (CBIC) has introduced GST Amnesty Scheme 2024 under section 128A of the CGST Act 2017. This scheme aims to provide relief to taxpayers by waiving interest and penalties associated with tax demands under Section 73 for FYs 2017-18, 2018-19 and 2019-20 provided full amount of the outstanding tax demand is paid by March 31, 2025. Further, cases where a notice was initially issued under section 74 for FYs 2017-18, 2018-19 and 2019-20, and an order is passed or required to be passed by the proper officer under section 73 (in pursuance of the direction of the Appellate Authority or Appellate Tribunal or a court in accordance with the provisions of sub-section (2) of section 75) are also covered under the scheme for the purpose of waiver of interest or penalty or both. The taxpayer must file an application electronically using FORM GST SPL-01 or GST SPL-02 depending on their specific case.

3. If an appeal or Writ Petition is pending against the notice or order under section 73, taxpayer is required to withdraw such appeals before applying for the waiver.

4. For further details Section 128A of the CGST Act, 2017, Notification No. 21/2024-Central Tax dated 08.10.2024 (<https://taxinformation.cbic.gov.in/view-pdf/1010186/ENG/Notifications>) and Circular No. 238/32/2024-GST dated 08.10.2024 (<https://cbic-gst.gov.in/pdf/circular-238-32-2024-GST.pdf>) may be referred.

5. The Trade and Industry Associations/Chamber of Commerce are therefore requested to bring the above scheme to the notice of all their members so that they can take maximum benefit of the scheme to bring down their litigation in GST cases.

Old Man and the Mango Tree

In a far away village, there lived an old man. He had very few years left in him. He must have been 80 years old or even more.

Every day he would wake up and leave his house. Go for a tiny walk outside the village and come back.

Binny and his family had just moved into the house next to the old man's house. Binny was an observant young boy and he noticed that the old man goes out every day the same time.

Binny was also a very curious boy. He wanted to know what the old man was up to. One day he followed the old man without being seen. After walking a short distance, he noticed that the old man stopped near a small mango plant and watered it.

Binny was amazed at this. He forgot all about not being seen and went straight to the old man and asked him, "Sir, you are so old and you are watering such a tiny tree, you will probably never be able to eat its fruit."

The old man let out a laugh and explained that he knew that he would never be able to enjoy the fruits of his labour, but he was watering the plant for the future generations' benefit. Also, I love the walk and the purpose this plant gives me.

Moral of the Story:

We often look for results and many of our actions are directed toward getting results. This is a beautiful story to remind us all that sometimes the action itself is the reward and we need not always focus on the results.

Newly renovated Taloja Manufacturers' Association (TMA) Conference Hall

We are glad to inform you that we have renovated our Conference hall which has easy access to reach, as it is located on the main road side very near to your Industry.

We have a beautiful Air-conditioned Conference hall which is well-equipped with all the meeting facilities such as a stage having a comfortable sitting arrangement for Guest, a Podium with Mike, P A System, Over Head Projector along with a Screen, wireless internet and audio-visual equipment, Collar Mike, Cordless Mike, 200 nos. of chairs, Samai for inaugural function, etc.

Our Conference hall is very spacious & can accommodate up to 200 nos. participants for all types of Conferences/Seminars/Training programs/Workshops/AGM, and any events at a reasonable cost.

We can arrange Cluster or Classroom seating at this Conference hall. Adjacent to the Conference hall, we also have an Air-conditioned Dining area for rendering Tea/Snacks/ Lunch/ Dinner services.

We request all Industries to take the advantage of the same, the pictures will give you a quick glance at the newly renovated TMA Conference hall.

PRAGATI BIOTECH AND LIFE SCIENCE

- Analytical Laboratory for Testing Food, Water, Soil & Chemical
- Nabl Certified Lab

WASTE WATER ANALYSIS (ETP WATER) (IS:3025)

- | | |
|--|------------------------------|
| 1 PH | 6 Total Oil and Grease (TOG) |
| 2 Chemical Oxygen Demand (COD) | 7 Dissolved Oxygen (DO) |
| 3 Biological Oxygen Demand (5 Days / 3 Days) | 8 Ammonia |
| 4 Total Suspended Solids (TSS) | 9 Nitrate |
| 5 Total Dissolve Solids (TDS) | 10 Total Phosphorus |

Note :- Bio culture available which will deduct the COD to 50% level

DRINKING WATER ANALYSIS

(IS: 10500:2012, IS: 14543:2004, IS: 13428:2005, IS: 4251)

1. PH, 2. Electric Conductivity, 3. Colour, 4. Odor, 5. Test, 6. Turbidity, 7. Total Dissolve Solids (TS), 8. Chlorides, 9. Hardness, 10. Alkalinity, 11. Calcium, 12. Magnesium, 13. Water Analysis Microbial (Total Bacterial Count, MPN, Pathogen Analysis) other Parameter as per requirement

OILS AND FUEL ANALYSIS

1. Moisture, 2. Ash, 3. PH, 4. Flash Point, 5. Fire Point, 6. Specific Gravity / Density, 7. Viscosity

FOOD / FISH MEAL ANALYSIS (FASSI)

NUTRITIONAL VALUE

1. Moisture, 2. Ash, 3. Protein, 4. Crude Fat
5. Crude Fiber, 6. Carbohydrates, 7. Energy,
8. Calcium, 9. TVBN, 10. Peroxide Value
11. Iodine Value, 12. Crude Oil,
13. Free Fatty Acids.

Other Parameter as per requirement

MICROBIAL ANALYSIS

1. Total Viable Count / Total Plate Count
2. Coliform 3, E. Coli, 4. Staphelococcus aurous
5. Salmonella, 6. Vibrio cholera, 7. Shigella
8. Listeria Monocytogens. 9: Pseudomonas
10. Clostredia, 11. Yeast and Mold

CHEMICALS ANALYSIS

1. Purity (by titration), 2. Acidity, 3. Alkalinity, 4. Density / Specific Gravity,
5. Moisture, 6. Chlorides, 7. Calcium, 8. Magnesium

Terms and Condition

- The result related only to the sample tested in our Laboratory.
- Sample will be retained by us for specified period.
- This report is full or part should not be used for any legal action unless prior permission has been secured.
- Subject to Raigad Jurisdiction.
