+91- 98201 02749 / 80979 09887

Objective:

To build a successful career in production industry, by applying my knowledge and skills through a continuous process of professional development in order to achieve the highest standards of performance.

Academic Profile:

B.E	Mechanical Engg. (Mumbai University)	First class	May 2012
H.S.C.	Science stream (Mumbai University)	First class	May 2008
S.S.C.	State board (Mumbai University)	Distinction	May 2003

Work Experience:

Zarhak steels limited, L20 Taloja MIDC, 410208

24 June 2014 – Till today

www.zarhak.com

❖ Plant Engineer.

- Quality:
 - QA- Customer NC's handling, Analysis & investigation, CAPA Reports preparation. Customer site visits if required, Resolution until customer satisfaction. SOP preparation and execution.
 - QC- Sampling, Control plan, Physical/Mechanical/Metallurgical Tests & inspection
- ISO 9001 : 2015 lead role (Co-MR)
- Planning : Daily production plan preparation, Purchase-Dispatch schedule,
 - Customer database preparation (Regular/Irregular orders analysis), order execution, Customer feedback.
- Production: Batch Annealing furnace operations, Track of daily production, Yield analysis.
- Maintenance: Planning & execution of preventive maint. Handling of Preventive & BD maint. Effectively to reduce breakdowns. Inspection of plant machinery for optimum performance.
- ETP & Utility operations control/ maintenance fluently.
- Engineering & Project mgmt.: Project planning on new expansions, Time –Work study, Case studies, On time analysis on running projects.

Posco Electrical Steel India Pvt. Ltd, Vile-Bhagad MIDC, Mangaon

20 Sep. 2012 – 21 March 2014

www.posco-india.com

❖ Operation & Maintenance executive.

- (Errection and Commissioning experience.)
 - Machine installation, inspection, commissioning and performance analysis up to parameter establishment.
 - Maintenance planning and scheduling.
 - Root cause failure analysis.
 - Technical studies and reports writing.
 - Overall operational and maintenance related work.
 - Continuous Annealing furnace operations, coating operations.(Line Operations)
 - Safety and environmental control and awareness.

Castrol India Pvt. Ltd, Patalganga MIDC, Navi Mumbai1
www.castrol.com

August 2012- 15 September 2012

❖ GET- Graduate Engineer Trainee

- (Engineering and Maintenance department)
 - Maintenance works like records maintaining of various equipment such as boiler steam, compressor, pumps capacity, flow measurement.
 - Boiler operations and scheduled maintenance
 - Trouble shooting of technical problems.

Larsen and Toubro Ltd, Powai works-HED, Mum-12.
www.larsentoubro.com

August 2003- September 2006

❖ Apprentice Trainee (Trade: Fitter)

- (HED- Heavy Engg. Division)
 - Manufacturing of Heat exchangers, Boilers, Gassifiers, Vessels.
 - Manufacturing of Central Shield job of BARC. (Aerospace Dept.)
 - Enormous experience of Manufacturing of PSLV jobs such as manufacturing of side cylindrical shells, cones, Crowns(Dish ends) (Aerospace Dept.)
 - All type of fabrication works such as Grinding, Welding (MMAW, GTAW, spot welding, MIG welding), soldering & Brazing, Gas cutting, Machining (CNC programming) Multiskilling works.
 - Press m/c, rolling m/c, EOT crane operations.

Activities & Participations:

- Attended 3 days training program of “Metallurgy for Non metallurgist” conducted by ASM International India in 2016 at Vashi, Navi Mumbai.
- Proficiency in **Industrial Pneumatics & Hydraulics** systems conducted by Central Gov.accredited ATI- Advance Training Institute (Mumbai).
- Attended 8 days training program on Operating & Maintenance of SCROLL SHEETING LINE/CTL (Cut to length) machine in LITTELL headquarter located at **Schaumburg, Illinois (Chicago) USA** on 15th to 24th March 2015 promoted by Zarhak steels Pvt. Ltd.
- Undergone **Internship training** For 11 days from 6 July 2011 -16 July 2011
At Winget Construction equipment Pvt. Ltd., Taloja MIDC.
- National Council for Vocational Training (N.C.V.T) Oct- Nov 2006
Examination passed with Distinction.
- Attended **Team building activity** as 3 days training program to enhance hidden potentials as well, conducted by Empower activity camps at Kolad, (Raigad) and promoted by POSCO ESI in Feb-2013.

Technical Skills:

- Drafting software – Solid works, AutoCAD (v 10) . Autodesk Inventor Professional.
- Microsoft office- Excel, Word, PP. etc.

Personal skills andStrengths:

- Able to clearly explain technical issues to non-technical persons.
- Able to carry out task in a process driven environment.
- Loyal & smart working.
- Proactive attitude towards work.
- Organized and focused approach to a particular task.
- Self Motivated and determined.

Personal Details:

Sex and Marital status	: Male & married
Date of Birth	: 12th, November 1987
Nationality	: Indian
Passport no	: R3607172
