● HOBBIES AND INTERESTS

Cooking

I'm very interested in cooking. I'm always try new things and improve my cooking skills.

Painting

Painting is a part of my life. It's help me to improve my thinking towards others people.

Drawing

My favourite subject in college and my whole life because drawing teach me how to fit yourself in the life like any drawing.

Listening Music

Music is a weapon which is stress relief for me. It's part of my daily routine

● PROJECTS

01/01/2018 – 30/05/2018

Automatic Braking System And Pneumatic Bumper

- This system help heavy-duty vehicle to stop any bigger damage in the road accident
- it's prevent human casualties and vehicle casualties, because heavy-duty vehicle engine are bigger and they cost more money to service
